So God created human beings in his own likeness.

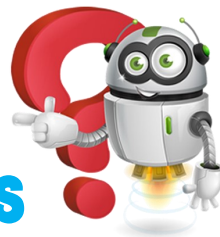

He created them to be like himself.

He created them as male and female. Genesis 1:27

Create your own design and color your Easter Egg!

Why do we celebrate Easter with Easter eggs and chocolate bunnies

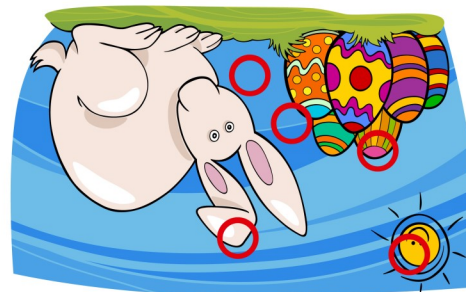

Easter eggs and bunnies can be used to celebrate Easter because they can point us to the truth about Jesus! Because of what Jesus did for us when he died on the cross and rose from the dead, we can have new life! A mother hen will sit on her eggs until she hatches her new baby chicks. These baby chicks represent the new life that God gives us through Jesus' death and resurrection. The empty egg shells left behind can represent the empty tomb that Jesus left behind when he rose from the dead.

Rabbits also have lots of babies. These little bunnies also represent the new life that we can have in Jesus. This new life means we are free from the power of sin. We no longer need to be afraid that we will be punished for the wrong things we have done. God forgives us and with his help we can live a blessed life while we wait for heaven.
